(Approved by the Placer Land Trust Board of Directors August 25, 2011)

Introduction

Placer Land Trust is the “site owner” of the web site www.placerlandtrust.org. The site owner takes your right to privacy seriously, and wants you to feel comfortable using this web site. This privacy policy deals with personally identifiable information (referred to as “data” below) that may be collected by this site. This policy does not apply to other entities that are not owned or controlled by the site owner, nor does it apply to persons who are not employees or agents of the site owner, or who are not under the site owner's control. Please take time to read this site’s Terms of Use, available upon request to the site administrator.

I. Collection of Data

Registration for an account on this site, including actions such as registering for an event or making a charitable donation, requires only a valid e-mail address and a user name that has not been chosen already. You are not required to provide any other information if you do not want to. Please be aware that the user name you choose, the e-mail address you provide, and any other information you enter, may render you personally identifiable and may possibly be displayed on this web site. This could occur either intentionally, depending on choices you make during the registration process, or depending on the way in which the site is configured, or unintentionally, for example subsequent to a successful act of intrusion by a third party. As on many web sites, the site owner may also automatically receive general information that is contained in server log files, such as your IP address and cookie information. Information about how advertising may be served or displayed on this site, if allowed by the site owner, is set forth below.

II. Use of Data

Data may be used to customize and improve your user experience on this site. Efforts will be made to prevent your data being made available to third parties unless:

- A. Provided for otherwise in this Privacy Policy;
- B. Your consent is obtained, such as when you choose to opt-in or choose not to opt-out for the sharing of data;
- C. A service provided on our site requires interaction with a third party, or is provided by a third party, such as an application service provider; or pursuant to legal action or law enforcement;
- D. It is found that your use of this site violates the site owner’s policy, terms of service, or other usage guidelines, or if it is deemed reasonably necessary by the site owner to protect the site owner’s legal rights and/or property; or
- E. This site is purchased by a third party, in which case that third party will be able to use the data in the same manner as set forth in this policy. In the event you choose to use links displayed on this web site to visit other web sites, you are advised to read the privacy policies published on those sites.

III. Cookies

Like many web sites, this web site sets and uses cookies to enhance your user experience – to remember your personal settings, for instance. Advertisements may display on this web site and, if so, may set and access cookies on your computer; such cookies are subject to the privacy policy of the parties providing the advertisement. However, the parties providing the advertising do not have access to this site's cookies. These parties usually use non-personally-identifiable or anonymous codes to obtain information about your visits to this site.

IV. Minors

The site owner might not allow persons who are aged thirteen or younger to become members of this site. For more information, please contact the site administrator.

V. Editing or Deleting Your Account Information

You are provided with the ability to edit the information stored for your user account by contacting the site administrator. You can request that your user account be deleted by contacting the site administrator. Content or other data that you may have provided, and that is not stored within your user account, such as articles published, may continue to remain on the site at the site owner's discretion, even after your user account is deleted. Please see the site's Terms of Use for more information.

VI. Changes to This Privacy Policy

Changes may be made to this policy from time to time. You will be notified of substantial changes to this policy either through the posting of a prominent announcement on the site, and/or by a mail message sent to the e-mail address you have provided, which is stored within your user settings.

VII. No Guarantees

While this privacy policy states standards for maintenance of data, and while efforts will be made to meet these standards, the site owner is not in a position to guarantee compliance with these standards. There may be factors beyond the site owner's control that may result in disclosure of data. Consequently, the site owner offers no warranties or representations as regards maintenance or non-disclosure of data.
